Poem

mere jeevan ke pyaar ke liye,
or mere prakash ki chamak
aap mujhe jo pyar dete hain usaki
tulana kuchh bhi nahi kar sakta
ret, sooraj ya samudra ki pratikriya
bhi nahin

aapne vastav mein duniya ko
dikhaya,
mujhe apane lakshyon ko praapt
karna sikhaya,
main sach mein tumse pyaar karta
hoon babe,
aur jaisa ki main hamesha sapna

Paragraph

To the apple of my eye, the gem of my heart and the key to my happiness, nothing in the world can ever keep us apart. The warmth of your smile, the touch of your love, the happiness you share. There are no words that can perfectly express how much you really mean to me babe. The way you hold my hands and reassure me that everything will be fine, the way you look at me, reminding me that I am safe with you makes me wonder and think about, “ What a perfect husband I have!” Your thoughts are engraved in my heart. Your sweet name is etched on my body forever. Your pure love is deeply embedded in my soul forever. It's you who made my heart come to joy, it's you who made me feel safe, it's you who made me feel loved, it’s you who made my dreams come true is you who transformed me into a better person.

Continuationnnn

Baby, I am so thankful for you. I really do appreciate and cherish the times we spend together babe. We have had our ups and downs, but whenever we are apart, I still get an empty feeling. I am attached to you babe. From deep down in my heart I love chu babe. We have stood the test of time, walked the narrow road and still manage to make things better babe. To be honest babe, no matter what happens, at the end of the day I wanna be in your arms. I am proud to be your wife. Proud to even be noticed by you babe.

Continuation

Because in reality babe, if you didn’t talk to me, we would have still been strangers. Swear, even though I had a lot of feelings for you, damn it was really hard to even say “hey”. Babe, from the night we talked I knew it had something different in you. I just felt loved and safe with you babe. I am so lucky to have you in my life, babe. You never fail to make me smile nor cheer me up when I am down. My love, I am just really really really thankful for you for being my kind, caring husband babe. I can't wait to spend my life with you hubby. I wove chu babyyyy, mwah mwah mwahhh 😘□□😘❤
